Presentation on Results of Questionnaire for Proposed New City Hall Building by Turner

Duran Architects

The purpose of the Workshop was for a Presentation on the Results of the Questionnaire for the proposed new City Hall building by Turner Duran Architects. Representatives from Turner Duran Architects were Greg Turner, Partner/President and Jack Duran, Partner/Executive Vice President. Turner explained a questionnaire had been sent out to the citizens of Katy requesting their opinions, pros and cons, in the design of a proposed new city hall. Included in the questionnaire were the aesthetics/architectural character of the interior and the exterior of the building, possible images and other suggested improvements. Several suggestions were recieved for retaining historical landmarks in the downtown area, maintaining of history and heritage of Katy, along with the small town feel, green space and the trees. Other items suggested were wayfinding signs, parking, covered drop off area and handicapped accessibility. Turner thanked all who had participated in the questionnaire and explained the next step is the design phase.

Adjourn

The Mayor and Councilmembers thanked Turner and Duran for their presentation. The meeting adjourned at 5:44 p.m.
